## 5) Print Image(Screenshot).

After editing/customizing MY INFO and FAMILY INFO labels, View your ICE card and to print the Image, Touch/Tap the printer button(This button is a shortcut to Screenshot that is pressing **Home Button** + **Lock button** at same time), your card will be saved as image in iPhone camera roll.

## 6) Card Printing

An easiest way is to take these images to any Print/Internet Center, Konica/Kodak Photo center and request to print the image in 55mm x 85mm or 2.2" x 3.35" size and request for pouch lamination of same size .

For in house printing use any document editor and follow the instruction given below...

- Mac OS X : Import Card image from iPhone to iPhoto
- Windows : Connect iPhone and browse iPhone Image folders, copy and paste the card images to desired location.

### **PRINTING**

#### **OPTION 1**

WORD DOC > INSERT > PICTURE FROM FILE > SELECT THE CARD IMAGE  
RIGHT CLICK > SIZE > 55 MM(HEIGHT) x 85 MM (WIDTH) or 2.2"x 3.35"
